PERMANENT COSMETICS

When it comes to micropigmentation treatments, extreme precision is an absolute must, as ultimately each needle insertion is an irreversible process. After the pigment is introduced into the skin, it can't be removed. Therefore, it goes without saying that micropigmentation must be introduced into the skin with professional, precise equipment.

The state-of-the-art equipment, the Nouveau Contour pigments and the Nouveau Contour training programme provide you with a unique micropigmentation system. All over America and Europe, specialists for micropigmentation are discovering the advantages and results of the Nouveau Contour system.

When it comes to performing micropigmentation treatments, expertise and quality are the main requirements. That's why specialists choose Nouveau Contour. The perfection of micropigmentation is our main objective.

PRIVATE SPA

Experience complete relaxation either as a couple or with friends.

Our SPA offers three private areas, which can be booked so that you can spend some undisturbed time together. You have the choice between a romantic bath with aromatherapy oils and a subsequent relaxation phase in your own individual infrared sauna, our private sauna or the Salve-in-terra® – named as the best technical spa innovation by the Health Spa Awards –, which is a wellness facility that doesn't just take care of the skin but instead takes your guests on a sensual journey.

LOVE Bad "heart-warmer" bath

Here, you can pamper your body with various seasonal essential oils in our private spa. In addition, we will also serve you a platter of fruit with pralines and a bottle of sparkling wine.

You can also make happy memories together in our private "heart-warmer" spa.

120 min. € 120.-

Lovers SPA (12:00 noon – 8:00 pm)

In your private spa, you will find a private steam bath at a pleasant temperature, as well as a saunarium with gentle colours and sounds. The private spa sauna is located in an exclusive bookable private spa, which has 3 saunas (infrared sauna, steam sauna, Finnish sauna).

In addition, we will also provide you with a fruit platter from the kitchen with pralines and a bottle of prosecco, for complete relaxation.

120 min. € 150.-

Salve in Terra

Here, you can relax as a couple in an aromatherapy steam room with a clam lounger, where your skin will be pampered with an all-over cream peeling. With the Salve-in-terra®, couple wellness is taken to a whole new level. Closeness, physical contact and rediscovering the beauty of your partner is at the forefront of this spa experience.

Shortly before the end of the experience, the couple can treat themselves to a special experience. The sides of the lounger can fold upwards, similar to how a clam closes up. The bodies will slip close to each other to give the couples a brief moment of togetherness. Anyone who has enjoyed using the Salve-in-terra®, will never forget the experience.

In addition, we will also serve you a fruit platter with pralines and a bottle of prosecco in the relaxation area of the private environment.
