MONDAY	09:30 a.m.	MORNING JOGGING - It is understandable that the long-sleeved ones are only hard to make friends with the beloved sleep of a running unit. But jogging in the morning has many advantages. First and foremost, your circulation and your metabolism will be in full swing in the morning. You are also mentally and emotionally strengthened in the day.
	02:00 p.m.	AUTOGENIC TRAINING - Autogenic training is a relaxation technique based on auto-suggestion. The spheres of application of autogenic training exist for healthy people especially in sports, in the manager training in the prevention of burnout syndrome and in the sphere of learning. You will use the basic exercises in the lying posture.
TUESDAY	09:30 a.m.	MORNING WALK - Walk a leisurely morning walk by Seefeld or around the lake awakens the weary spirits. Active in the morning!
	02:00 p.m.	BABOR SECRETS OF BEAUTY By a cup of tea our BABOR cosmetician will explain everything about your skin and proper care. See our cosmetic rooms and learn what to expect at our BABOR treatments. A wide range of ultrasound, microdermabrasion and fluids will be discovered by you! The meeting point is our Sensual Beauty area.
WEDNESDAY	09:30 a.m.	MORNING WALK - Walk a leisurely morning walk by Seefeld or around the lake awakens the weary spirits. Active in the morning!
	02:00 p.m.	AUTOGENIC TRAINING - Autogenic training is a relaxation technique based on auto-suggestion. The spheres of application of autogenic training exist for healthy people especially in sports, in the manager training in the prevention of burnout syndrome and in the sphere of learning. You will use the basic exercises in the lying posture
